Sir,

In G.O.No.1559 (N) Law (Education) dated 26-10-21, a grant of Rs.6,570 was sanctioned for the acquisition of certain sites for the Kanara High School, Mangalore, at an estimated cost of Rs.11,825. The correspondent states that the actual cost of acquisition according to the land acquisition officer's award has come to Rs.13,462 and requests that the grant already sanctioned viz Rs.6,570 may be raised to Rs.7,532, vide his letter No.21 dated 19-7-22 (copy enclosed).

2. I have the honour to recommend that the inclusion of the acquisition in question in the list of approved

works at the increased cost of Rs.13,462 may be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.

RECEIVED, 6 SEP 1922

Copy of letter No.21 dated 19th July 1922, from Correspondent, Canara High School, Mangalore to the Director of Public Instruction, Madras, through the Inspector of Schools, South Kanara, Coorg and Bangalore.

" I have the honour to submit herewith a copy of the Land Acquisition Officer's award, for favour of perusal and kind return, in connection with acquiring for the School the lands adjacent thereto which the school authorities moved the Government to acquire on their behalf, and the acquisition of which the Government sanctioned in G.O.No. 1038 dated 15th July 1921.

(F) By G.O.No.1559 Law(Education) dated 26-10-1921 the

(N) Government was pleased to give a grant of Rs.2629/- to cover two-thirds of the cost of acquisition of the land intended for the location of classes in connection with Scientific subjects (the said land being S.No.374/1) and Rs.3941/- to cover half of the cost of acquiring the other sites.

It will be seen from the Land Acquisition Officer's award that the cost of acquiring S.No.374/1 has now been fixed by the said officer at Rs.4926-9-11, owing mainly to an increase in the value of land which has been raised by the said officer by Rs.1000/- per acre. Two thirds of the value now fixed will come to Rs.3284-6-7. The value of the other sites has also been similarly raised to Rs.8333-1-2. Half of this value will come to Rs.4166-8-7.

On the basis of two thirds value of S.No.374/1 and of half the value of the other sites, the total grant will

now work to Rs.7430-15-2 as against the amount of Rs.6570 which the Government was kindenough to fix originally I pray that the Government may now be pleased to fix the grant at Rs.7430-15-2 on the basis of the valuation now made by the Land Acquisition Office. A sale deed will also have to be executed to the School, the cost of which will have to be borne by the School. The stamp for the sale deed, will at the present rate of stamp duty, come to Rs.202-8-0. I submit that this is also to be included in the total cost to the School management of the acquisition of the lands in question, and that the Government may be pleased to grant one-half of this sum also amounting to Rs.101-4-0.

I pray that early orders may be ~~pleased~~ passed for payment of the aforesaid amount of (Rs.7430-15-2) and Rs.101/4 ) in all Rs.7532-3-2. The school has deposited the full amount of Rs.13259-11-1 in the Government Treasury. On account of raising money for this purpose the debt of the School has been enhanced by about Rs.7700/- on which interest at between 9 per cent and 10 per cent has to be paid. I therefore pray that you may be pleased to direct early payment of the above amount to the school
